

REMARKS

We have carefully considered the Advisory Action dated June 9, 2005, in which dependent claims 5-8, 12-14, 17-20, 29, 31 and 34-36 are objected to and the remaining claims stand rejected as anticipated. In response, we have amended the claims to which the Examiner objected, to include the subject matter of the claims from which the respective claims depend. Further, we have canceled the rejected claims from this application, and filed a continuation application that includes the canceled claims.

The claims, as amended, should now be in form for allowance. We respectfully request that the Examiner enter the amendments and issue a Notice of Allowance for all pending claims.

Please charge any fee occasioned by this paper to our Deposit Account
